**COME TALK TO US ABOUT YOUR DESIGN IDEAS
AND FILE PREPARATION**

09.00 - 9.30 | 12.15 - 12.30 | 16.30 - 17.00

MONDAY/TUESDAY/THURSDAY/FRIDAY

YOUR SESSION

- ◆ **PLEASE BRING YOUR FILE AND YOUR MATERIALS, PLUS EXTRA FOR TESTING**
- ◆ 1 hour session provides you with 10 minutes setup time and 50 minutes cutting
- ◆ 1/2 hour session are for testing new materials and effects, please talk to us about your investigation
- ◆ Sessions can be booked up to 2 weeks in advance at the Fabrication Welcome Area
- ◆ If you are late or miss your session there will be no refunds
- ◆ If you can no longer attend your booked session you may receive a refund if you cancel with at least 24 hours notice

FILE PREPARATION

- ◆ **ALL FILES must be checked on APS ETHOS in advance of your session, see below for times**
- ◆ Please use BLACK strokes for cut, GREEN strokes for engrave and put a DARK BLUE bounding box around your work
- ◆ ILLUSTRATOR FILES - Turn off 'USE COMPRESSION' and 'ICC PROFILES'
- ◆ PHOTOGRAPHIC images can be used for etching. Save files 300dpi, in GREY SCALE MODE as a TIFF/JPEG
- ◆ For support with designing seek advice from the EPI CENTRE if Laser Space staff are busy

IMPORTANT

Think about how you can reduce waste and re-use where possible
Please leave LASER SPACE clean and tidy using the appropriate waste bins!

THANKYOU
